What was your overall first impression of the website?

Good basic portfolio

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

No

What do you feel are the most effective design elements of this web portfolio?

The experience tab was good. I liked how there was a list of experience Milton has and what he has used during his experience.

What would you suggest be changed with the design or content of this web portfolio?

More interaction and information of who you are/what you like.
